President's Corner

Autumn is here! The leaves are changing colors, and the weather is getting cooler. Fall also marks the start of flu season.

Beginning of fall is a reminder for everyone to get vaccinated to protect yourself from the flu. Also, taking other preventative measures such as coughing into a tissue, or keeping your hands clean is a small step towards staying healthy.

Here at 24-Hour Medical Staffing Services, we are at your service any day and any time of the day.

Thank you!

Linda Stone

SERVICE EXCELLENCE AWARD WINNERS

Our company selects and honors Service Excellence Award winners from our talented and dedicated healthcare professional staff. We have over 200 Healthcare Professionals so earning an award is difficult and special.

Winners must exemplify both clinical and interpersonal skills as appropriate. They must provide high patient and customer satisfaction. They must also demonstrate consistency and reliability. Our Fall Service Excellence Award winners are:

★ Tammy W. – RN ★

Tammy is a great ER nurse, and her recruiter, charge nurse, and supervisor enjoys working with her. The facility she is currently at is always Master Booking her for the month. Tammy has never been late or has not showed up for a shift. 24-Hour Medical Staffing Services can always count on her.

★ Mark L. – RN ★

Mark has been with 24HRMED for more than a year now. As a per diem clinician, he takes 3-4 12-hour shifts per week. Even though he finished his contract, the client continues to offer him an extension for being a great worker and team player. Mark is a great addition to our staff and a valuable asset to any facility he works at.

Breast Cancer Awareness Month

You have been challenged to join the fight against cancer! October is Breast Cancer Awareness Month, which is an annual campaign to increase awareness of the disease.

This cause is deeply rooted in 24-Hour Medical Staffing Services' history as our founder and CEO Linda Stone is a Breast Cancer Survivor. During her lengthy recuperation, and her personal experience as a breast cancer survivor, she conceived the idea to create a business that focuses on the patient, the healthcare professional, and the hospital. And as a result, she founded 24-Hour Medical Staffing Services in 2000.

Here's how you can join in the fight against cancer!

- Help Fundraise for City of Hope's Walk for Hope
 - 24HRMED has a team online where you can donate or ask others to donate.
- <http://nationalevents.cityofhope.org/goto/24HRMED>
- Read upcoming information on breast cancer early detection.
 - Walk or volunteer for Walk for Hope on Nov. 4, 2018 at City of Hope, Duarte CA.

24HRMED Attends Traveler's Conference 2018

Credentialing I

My favorite part about 24HRMED is the company culture. We're always celebrating, be it a holiday, a colleagues work anniversary or just for working hard, it's nice to feel appreciated.

Three hobbies I like to do outside of work:

1. Hanging out with my sisters, be it going out to eat, checking out a new coffee shop/tea place or just going on a Target run, it's always an adventure with them.
2. Listening to ASMR
3. Reading a good book with a warm cup of coffee.
